

## Benissa, ALICANTE

Amazing opportunity for nature lovers who wish to build a finca or rural house in a very private location! The plot is located on a hill with amazing open panoramic views of the mountains and the sea surrounding Calpe. Ideal for people looking for a peaceful place! There are some neighbours in the area, but they are situated some distance away enabling maximum privacy. The plot has a perfect orientation as there is sun all day long. The plot surface is 15.000m<sup>2</sup> and has various accesses. The property has a water tank and there is electricity up to the entrance of the plot. A house of 249m<sup>2</sup> with 3 floors (747m<sup>2</sup> in total) could be built on this plot. Perfect location: only 1km from the train station of Benissa, and 6min to the beaches of Moraira. Amazing opportunity, must be seen!
